## The Sexiest Restaurants in Miami

By Carla Torres | September 1, 2015 | [Food & Drink](#)

For fusion fare paired with a sensual performance or Champagne bottles sparking to the ceiling, come to these Miami restaurants dressed to thrill.

### Bright Lights: [Bâoli](#)

The interior of Bâoli.

Be sure you're wearing the right shoes (Louboutins, anyone?) or the bouncer might reject you from this restaurant and lounge—which, depending on what time you arrive, is more like LIV (if LIV were to serve Thai bouillabaisse). If you're a virgin to Bâoli, the Wednesday night "My Boyfriend Is Out of Town" party is the ideal way to wet your whistle. VIP table number 400, inside the DJ booth, gives you a front-row view of the high-voltage soirée from the best seat in the house. Guys, suit up. 1906 Collins Ave., Miami Beach, 305-674-8822
